### Same Power

[Verse 1]

I can see the waters raging at my feet  
I can feel the breath of those surrounding me  
I can hear the sound of nations rising up  
We will not be overtaken  
We will not be overcome

[Verse 2]

I can walk down this dark and painful road  
I can face ev'ry fear of the unknown  
I can hear all God's children singing out  
We will not be overtaken  
We will not be overcome

[Chorus]

The same power that rose Jesus from the grave  
The same power that commands the dead to wake  
Lives in us lives in us  
The same power that moves mountains when He speaks  
The same power that can calm a raging sea  
Lives in us lives in us  
He lives in us lives in us

[Verse 3]

We have hope that His promises are true  
In His strength there is nothing we can't do  
Yes we know there are greater things in store  
We will not be overtaken  
We will not be overcome

[Chorus]

[Bridge]

Greater is He that is living in me  
He's conquered our enemy (oh)  
No power of darkness  
No weapon prevails  
We stand here in victory oh

(REPEAT)

[Chorus]

In victory yeah

## **Better Word**

[Verse 1]

Your blood is healing ev'ry wound  
Your blood is making all things new  
Your blood speaks a better word

[Verse 2]

Your blood the measure of my worth  
Your blood more than I deserve  
Your blood speaks a better word  
Speaks a better word

[Chorus 1]

It's singing out with life  
It's shouting down the lies  
It echoes through the night  
The precious blood of Christ  
Speaks a better word  
Speaks a better word

[Verse 3]

Your blood a robe of righteousness  
Your blood my hope and my defense  
Your blood forever covers me  
Oh forever covers me

[Chorus 1]

[Chorus 2]

It's calling out my name  
And it's breaking ev'ry chain  
It's making all things right  
The precious blood of Christ  
Speaks a better word  
Speaks a better word

[Bridge] X3

It's rewriting my history  
It covers me with destiny  
It's making all things right  
The precious blood of Christ

[Chorus 1]

Tag

Whoa oh

Whoa oh

It's making all things right  
The precious blood of Christ  
Speaks a better word  
Speaks a better word

## Start A Fire

[Intro]

Oo oo oo oo

Oo oo oo oo

[Verse 1]

This world can be cold and bitter

Feels like we're in the dead of winter

Waiting on something better

But am I really gonna hide forever

Over and over again

I hear Your voice in my head

Let Your light shine

Let Your light shine for all to see

[Chorus]

(And) start a fire in my soul

Fan the flame and make it grow

So there's no doubt or denying

Let it burn so brightly

That everyone around can see

That it's You that it's You that we need

Start a fire in me

[Interlude]

Oo oo oo oo

[Verse 2]

You only need a spark to start a whole blaze

It only takes a little faith

Let it start right here in this city

So these old walls will never be the same

Over and over again

I hear Your voice in my head

They need to know I need to go

Spirit won't You fall on my heart now

[Chorus]

[Bridge]

You are the fire You are the flame

You are the light on the darkest day

We have the hope we bear Your name

We carry the news that You have come to save

Only You can save

[Chorus]

[Ending]

You are the fire You are the flame

You are the light on the darkest day

Start a fire in me

Oo oo oo oo Oo oo oo
