# All God's Children Weekday Program

## 2024-2025 School Year

All God's Children (AGC) provides the right balance of social and academic skills through a play based curriculum that develops the whole child. Each class is staffed with a teacher and assistant teacher, many of which have worked here for over 15 years. Our daily routine includes circle time, project time, playground and free play. We have a fenced in playground and an indoor space for inside recess when needed. The children bring a snack and lunch from home to eat in their classrooms.

Children attend 'specials' weekly, led by our experienced staff members. Students attend Music class two days per week and Library and Chapel time 1 day per week.

We have a host of special days and experiences throughout the year such as spirit days, Fire Truck visits, and hatching caterpillars. We also have many seasonal festivities that families are welcome to attend such as the Christmas and Easter performances and a Halloween Costume parade.
