### **Big House (CCLI# 1414735)**

I don't know where you lay your head  
Or where you call your home  
I don't know where you eat your meals  
Or where you talk on the phone  
I don't know if you got a cook  
A butler or a maid  
I don't know if you got a yard  
With a hammock in the shade

I don't know if you got some shelter  
Say a place to hide  
I don't know if you live with friends  
In whom you can confide  
I don't know if you got a family  
Say a mom or dad  
I don't know if you feel love at all  
But I wish you had

*(Chorus)*

*Come and go with me  
To my Father's House  
Come and go with me  
To my Father's House  
It's a big, big house with lots and lots of room  
A big big table with lots and lots of food  
A big, big yard where we can play football  
A big, big house.  
It's my Father's House*

All I know it's a big ole house  
With room for everyone  
All I know is lots of land  
Where we can play and run  
All I know is that you need love  
And I've got a family  
All I know is you're all alone  
So why not come with me

*(Chorus)*

*Come and go with me*

*To my Father's House*

*Come and go with me*

*To my Father's House*

*It's a big, big house with lots and lots of room*

*A big big table with lots and lots of food*

*A big, big yard where we can play football*

*A big, big house.*

*It's my Father's House*

*It's a big, big house with lots and lots of room*

*A big big table with lots and lots of food*

*A big, big yard where we can play football*

*A big, big house.*

*It's my Father's House*

**The Detour (CCLI# 7171902)**

Don't let my heart grow cold or despise the wait

This is not unkindness; it is not disgrace

I am not passed over in my suffering

You hold my broken heart and my broken dreams

Your love has held me warmly through the night

And I have seen Your faithfulness with my own eyes

*You've been good to me; I am safe to hope*

*I will dare to believe when the way is long and slow*

*And I am full of doubt, but You are kind and close*

*I will trust the detour is the road*

I will not pretend that it comes easily

To follow when I'm sure I know what's best for me

I've got lots of questions, but I know the truth

That I have never lived a day apart from You

And somehow every unexpected climb

Makes Your goodness that much harder to deny

*You've been good to me; I am safe to hope*

*I will dare to believe when the way is long and slow*

*And I am full of doubt, but You are kind and close*

*I will trust the detour is the road*

This time will not be wasted, all the sorrow I have tasted  
You sing hope across the valley of my tears  
Sometimes love looks like delay, but You walk me through the wait  
And I am learning laughter even here, You are with me here

*You've been good to me; I am safe to hope  
I will dare to believe when the way is long and slow*

*You've been good to me; I am safe to hope  
I will dare to believe when the way is long and slow  
And I am full of doubt, but You are kind and close  
I will trust the detour is the road  
The detour is the road*

**Build My Life (CCLI # 7070345)**

Worthy of every song we could ever sing  
Worthy of all the praise we could ever bring  
Worthy of every breath we could ever breathe  
We live for You

Jesus the name above every other name  
Jesus the only one who could ever save  
Worthy of every breath we could ever breathe  
We live for You, we live for You

*Chorus*

*Holy, there is no one like You  
There is none beside You,  
Open up my eyes in wonder  
And show me who You are and fill me  
With Your heart and lead me  
In Your love to those around me*

Worthy of every song we could ever sing  
Worthy of all the praise we could ever bring  
Worthy of every breath we could ever breathe  
We live for You

Jesus the name above every other name  
Jesus the only one who could ever save  
Worthy of every breath we could ever breathe

We live for You, We live for You

*Chorus*

*Holy, there is no one like You  
There is none beside You,  
Open up my eyes in wonder  
And show me who You are and fill me  
With Your heart and lead me  
In Your love to those around me*

I will build my life upon Your love  
It is a firm foundation  
I will put my trust in You alone  
And I will not be shaken (Repeat)

*Chorus*

*Holy, there is no one like You  
There is none beside You,  
Open up my eyes in wonder  
And show me who You are and fill me  
With Your heart and lead me  
In Your love to those around me*

*Holy, there is no one like You  
There is none beside You,

With Your heart and lead me  
In Your love to those around me*

**Unity Hymn (CCLI# 7185262)**

Christ come have mercy on us  
Come and mend what we separate  
We are divided over things that are not Your heart  
Spirit come show us the way

*(Chorus)*

*O Hallelujah, Christ is with us  
In Him we live and move and breathe  
So with this breath inside our lungs now  
And forever we will sing  
And forever we will sing*

Father we come for forgiveness  
We have surrendered to fears of our day  
Turning brothers and sisters to enemies  
Jesus we need Your grace

*(Chorus)*

*O Hallelujah, Christ is with us  
In Him we live and move and breathe  
So with this breath inside our lungs now  
And forever we will sing  
And forever we will sing*

Your love unites us  
Your love unites us, Lord  
Oh what can separate us from  
Your love unites us  
Your love unites us, Lord  
Oh what can separate us from  
Your love

*(Chorus)*

*O Hallelujah, Christ is with us  
In Him we live and move and breathe  
So with this breath inside our lungs now  
And forever we will sing*

*O Hallelujah, Christ is with us  
In Him we live and move and breathe  
So with this breath inside our lungs now  
And forever we will sing  
And forever we will sing  
Oh forever we will sing*

**Brother (CCLI# 7029230)**

Ramblers in the wilderness  
Yeah, we can't find what we need  
We get a little restless from the searching  
Get a little worn out in between  
Like a bull chasing the matador  
Is a man left to his own schemes  
Well everybody needs someone beside them  
Shining like a lighthouse from the sea

*Chorus*

*Brother let me be your shelter  
Never leave you all alone  
I can be the one you call when you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way, bring you home*

Face down in the desert now  
There's a cage locked around my heart  
I found a way to drop the keys where my failures are  
Now my hands can't reach that far  
I ain't made for a rivalry  
I could never take the world alone  
I know that in my weakness I am strong  
It's Your love that brings me home

*Chorus*

*Brother let me be your shelter  
Never leave you all alone  
I can be the one you call when you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way, bring you home*

*Brother let me be your shelter  
Never leave you all alone  
I can be the one you call when you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way, bring you home*
