You Never Let Go

Even though I walk through the valley of the shadow of death
Your perfect love is casting out fear
And even when I'm caught in the middle
Of the storms of this life
I won't turn back I know You are near

And I will fear no evil
For my God is with me
And if my God is with me
Whom then shall I fear
Whom then shall I fear

(Chorus)

*Oh no, You never let go
Through the calm and through the storm
Oh no, You never let go
In every high and every low
Oh no, You never let go
Lord, You never let go of me*

I can see a light that is coming for the heart that holds on
A glorious light beyond all compare
And there will be an end to these troubles
But until that day comes
I'll live to know You here on the earth

And I will fear no evil
For my God is with me
And if my God is with me
Whom then shall I fear
Whom then shall I fear

(Chorus)

*Oh no, You never let go
Through the calm and through the storm
Oh no, You never let go
In every high and every low
Oh no, You never let go
Lord, You never let go of me*

Yes I can see a light that is coming
For the heart that holds on
And there will be an end to these troubles
But until that day comes
Still I will praise You
Still I will praise You

Yes I can see a light that is coming
For the heart that holds on
And there will be an end to these troubles
But until that day comes
Still I will praise You
Still I will praise You

(Chorus)

*Oh no, You never let go
Through the calm and through the storm
Oh no, You never let go
In every high and every low
Oh no, You never let go
Lord, You never let go of me*

Find You On My Knees

Trouble's chasing me again
Breaking down my best defense
I'm looking
God I'm looking for You
Weary just won't let me rest
And fear is filling up my head
I'm longing
God I'm longing for You
But I will

(Chorus)

*Find You in the place I'm in
Find You when I'm at my end
Find You when there's nothing left of me
To offer you except for brokenness
You lift me up, You never leave me thirsty
When I am weak, when I am lost and searching
I find You on my knees*

So what if sorrow shakes my faith
And what if heartache still remains
I'll trust You
My God, I'll trust You
'Cause You are faithful, and I will

(Chorus)

*Find You in the place I'm in
Find You when I'm at my end
Find You when there's nothing left of me
To offer you except for brokenness
You lift me up, You never leave me thirsty
When I am weak, when I am lost and searching
I find You on my knees*

When my hope is gone
When the fear is strong
When the pain is real
When it's hard to heal
When my faith is shaken
And my heart is broken
And my joy is stolen, God,
I know that You lift me up
You never leave me searching

(Chorus)

*Find You in the place I'm in
Find You when I'm at my end
Find You when there's nothing left of me
To offer you except for brokenness*

*You lift me up, You never leave me thirsty
When I am weak, when I am lost and searching*

*Find You in the place I'm in
Find You when I'm at my end
Find You when there's nothing left of me
To offer you except for brokenness
You lift me up, You never leave me thirsty
When I am weak, when I am lost and searching
I find You on my knees
I find You on my knees*

Confidence

I'm not a warrior
I'm too afraid to lose
I feel unqualified for what You're calling me to
But Lord with Your strength
I've got no excuse
'Cause broken people are
Exactly who You use

(Chorus)
*(So) Give me faith like Daniel in the lion's den
Give me hope like Moses in the wilderness
Give me a heart like David Lord be my defense
So I can face my giants with confidence*

You took a shepherd boy
And made him a King
So I'm gonna trust You and give You everything
I'll be a conqueror
'Cause You fight for me
I'll be a champion claiming Your victory

(Chorus)
*(So) Give me faith like Daniel in the lion's den
Give me hope like Moses in the wilderness
Give me a heart like David Lord be my defense
So I can face my giants with confidence*

I'm gonna sing and shout and shake the walls

I won't stop until I see 'em fall
Gonna stand up step out when You call
Jesus, Jesus

I'm gonna sing and shout and shake the walls
I won't stop until I see 'em fall
Gonna stand up step out when You call
Jesus

(Chorus)

*(So) Give me faith like Daniel in the lion's den
Give me hope like Moses in the wilderness
Give me a heart like David Lord be my defense
So I can face my giants with confidence*

I'll face my giants with confidence

Your Heart (David)

It never was about the oil
Dripping from my head
I never did dream beyond
The pastures I could tend
It never was about the praise
Not about the street parade
I didn't really need a crowd
When Goliath fell down

I never meant to woo a king
With simple shepherd songs
Or hide away inside a cave
Safe from danger's arms
I never meant to wear a crown
Or try to bring armies down
It never was about me
And who I hoped to be

(Chorus)

*At the end of the day
I wanna hear people say
My heart looks like Your heart
My heart looks like Your heart
When the world looks at me
Let them agree*

*That my heart looks like Your heart
My heart looks like Your heart*

I never thought I would be
More than Jesse's kin
Who would ever dream a king
Would come from Bethlehem
I know that I've crashed and burned
And lives have been overturned
But You redeem everything
Yeah, even me

(Chorus)
At the end of the day
I wanna hear people say
That my heart looks like Your heart
My heart looks like Your heart
When the world looks at me
I pray all they see
Is my heart looks like Your heart
My heart looks like Your heart

Five little stones
Or a royal robe
Shepherd or king
Doesn't mean a thing
Cause at the end of the day

(Chorus)
At the end of the day
I want to hear people say
That my heart looks like Your heart
My heart looks like Your heart
Unashamed I will dance
In Your name I lift my hands
'Til my heart looks like Your heart
My heart looks like Your heart

Your Love Never Fails

Nothing can separate
Even if I ran away
Your love never fails
I know I still make mistakes but
You have new mercies for me everyday
Your love never fails

(Chorus)

*You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning
And when the oceans rage
I don't have to be afraid
Because I know that You love me
Your love never fails*

The wind is strong and the water's deep
But I'm not alone here in these open seas
Your love never fails
The chasm is far too wide
I never thought I'd reach the other side
Your love never fails

(Chorus)

*You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning
And when the oceans rage
I don't have to be afraid
Because I know that You love me
Your love never fails*

You make all things
Work together for my good
You make all things
Work together for my good

You make all things
Work together for my good
You make all things

work together for my good

(Chorus)

And You stay the same through the ages

Your love never changes

There may be pain in the night

But joy comes in the morning

And when the oceans rage

I don't have to be afraid

Because I know that You love me

You stay the same through the ages

Your love never changes

There may be pain in the night

But joy comes in the morning

And when the oceans rage

I don't have to be afraid

Because I know that You love me

Your love never fails
