I Will Follow

Where You go, I'll go
Where You stay, I'll stay
When You move, I'll move
I will follow

All Your ways are good
All Your ways are sure
I will trust in You alone
Higher than my sight
High above my life
I will trust in You alone

(Chorus)

*Where You go, I'll go
Where You stay, I'll stay
When You move, I'll move
I will follow
Whom You love, I'll love
How You serve, I'll serve
If this life I lose*

*I will follow You, yeah
I will follow You, yeah*

Light into the world
Light into my life
I will live for You alone
You're the One I seek
Knowing I will find
All I need in You alone
In You alone

(Chorus)

Where You go, I'll go

*Where You stay, I'll stay
When You move, I'll move
I will follow
Whom You love, I'll love
How You serve, I'll serve
If this life I lose*

*I will follow You, yeah
I will follow You, yeah*

In You, there's life everlasting
In You, there's freedom for my soul
In You there's joy, unending joy
And I will follow

*(Chorus)
Where You go, I'll go
Where You stay, I'll stay
When You move, I'll move
I will follow*

*Where You go, I'll go
Where You stay, I'll stay
When You move, I'll move
I will follow
Whom You love, I'll love
How You serve, I'll serve
If this life I lose*

*I will follow You, yeah
I will follow You, yeah*

Come As You Are

Come out of sadness from wherever you've been
Come broken-hearted, let rescue begin
Come find your mercy, o sinner come kneel
Earth has no sorrow that Heaven can't heal
Earth has no sorrow that Heaven can't heal

(Chorus)

*Lay down your burdens, lay down your shame
All who are broken, lift up your face
O wanderer, come home
You're not too far
So lay down your hurt,
Lay down your heart
Come as you are*

There's hope for the hopeless
And all those who've strayed
Come sit at the table, come taste the grace
There's rest for the weary
A rest that endures
Earth has no sorrow that Heaven can't cure

(Chorus)

*Lay down your burdens, lay down your shame
All who are broken, lift up your face
O wanderer, come home
You're not too far
So lay down your hurt,
Lay down your heart*

Come as you are
Come as you are
Fall in His arms
Come as you are

There's joy for the morning
O sinner be still
Earth has no sorrow that Heaven can't heal
Earth has no sorrow that Heaven can't heal

(Chorus)

*Lay down your burdens, lay down your shame
All who are broken, lift up your face
O wanderer, come home
You're not too far
So lay down your hurt,
Lay down your heart
Come as you are*

*So lay down your hurt,
Lay down your heart
Come as you are*

Good Grace

People, come together
Strange as neighbors, our blood is one
Children of generations
Of every nation, of Kingdom come

Don't let your heart be troubled
Hold your head up high
Don't fear no evil
Fix your eyes on this one truth
God is madly in love with you
Take courage, hold on, be strong
Remember where our help comes from

Jesus, our redemption
Our salvation is in His blood
Jesus, light of heaven
Friend forever, His Kingdom come

Swing wide, all you heavens
Let the praise go up as the walls come down
All creation, everything with breath
repeat the sound
All His children,
Clean hands, pure hearts,
Good Grace, good God
His name is Jesus

Swing wide, all you heavens
Let the praise go up as the walls come down
All creation, everything with breath
repeat the sound
All His children,
Clean hands, pure hearts,
Good Grace, good God
His name is Jesus

Jesus, our redemption
Our salvation is in His blood

Jesus, light of heaven
Friend forever, His Kingdom come

Unity Hymn

Christ come have mercy on us
Come and mend what we separate
We are divided over things that are not Your heart
Spirit come show us the way

(Chorus)

*O Hallelujah, Christ is with us
In Him we live and move and breathe
So with this breath inside our lungs now
And forever we will sing
And forever we will sing*

Father we come for forgiveness
We have surrendered to fears of our day
Turning brothers and sisters to enemies
Jesus we need Your grace

(Chorus)

*O Hallelujah, Christ is with us
In Him we live and move and breathe
So with this breath inside our lungs now
And forever we will sing
And forever we will sing*

Your love unites us
Your love unites us, Lord
Oh what can separate us from
Your love unites us
Your love unites us, Lord
Oh what can separate us from
Your love

(Chorus)

*O Hallelujah, Christ is with us
In Him we live and move and breathe
So with this breath inside our lungs now
And forever we will sing*

*O Hallelujah, Christ is with us
In Him we live and move and breathe*

*So with this breath inside our lungs now
And forever we will sing
And forever we will sing
Oh forever we will sing*

Brother

Ramblers in the wilderness
Yeah, we can't find what we need
We get a little restless from the searching
Get a little worn down in-between
Like a bull chasing the matador
Is a man left to his own schemes
Well everybody needs someone beside them
Shining like a lighthouse from the sea

(Chorus)

*Brother, let me be your shelter
Never leave you all alone
I can be the one you call
When you're low
Brother, let me be your shelter
When the night winds are driving on
Be the one to light the way
Bring you home*

Face down in the desert now
There's a cage locked around my heart
I found a way to drop the keys
Where my failures were
Now my hands can't reach that far
I ain't made for rivalry
I could never take the world alone
I know that in my weakness I am strong
It's Your love that brings me home

(Chorus)

*Brother, let me be your shelter
Never leave you all alone
I can be the one you call
When you're low
Brother, let me be your shelter
When the night winds are driving on
Be the one to light the way
Bring you home*

*Brother, let me be your shelter
Never leave you all alone
I can be the one you call
When you're low
Brother, let me be your shelter
When the night winds are driving on
Be the one to light the way
Bring you home*
