Burning in My Soul, 6517874

There is power, power
Here in this hour, this hour
We're all together, together
Waiting here as one (repeat)

Whoa, hear the sound from Heaven
Whoa, a mighty rushing wind
Whoa, we're calling for revival
God let Your fire fall again
It's burning in my soul
Burning in my soul

All Your sons and Your daughters
Dreaming the dreams of their Father
Seeing the signs and wonders
The Kingdom of God

Whoa, hear the sound from Heaven
Whoa, a mighty rushing wind
Whoa, we're calling for revival
God let Your fire fall again
It's burning in my soul
Burning in my soul

I cannot contain it this fire inside
I cannot contain it so let it shine
I cannot contain it this light of mine

It's burning in my soul
hear the sound from Heaven
Whoa, a mighty rushing wind
Whoa, we're calling for revival
God let Your fire fall again

*It's burning in my soul
Burning in my soul
It's burning in my soul*

Holy Spirit, 6087919

There's nothing worth more that will ever come close
No thing can compare, you're our living hope
Your presence, Lord

I've tasted and seen of the sweetest of loves
Where my heart becomes free
And my shame is undone
Your presence, Lord

(Chorus)
Holy Spirit, You are welcome here
Come flood this place and fill the atmosphere
Your glory, God, is what our hearts long for
To be overcome by Your presence, Lord

There's nothing worth more that will ever come close
No thing can compare, you're our living hope
Your presence, Lord

I've tasted and seen of the sweetest of loves
Where my heart becomes free
And my shame is undone
Your presence, Lord
Your presence, Lord

(Chorus)
Holy Spirit, You are welcome here
Come flood this place and fill the atmosphere
Your glory, God, is what our hearts long for
To be overcome by Your presence, Lord

Let us become more aware of Your presence,
Let us experience the glory of Your goodness (repeat)

(Chorus)

*Holy Spirit, You are welcome here
Come flood this place and fill the atmosphere
Your glory, God, is what our hearts long for
To be overcome by Your presence, Lord*

One Day, 7130583

One day there'll be no more waiting
Left for our souls
One day there'll be no more children
Longing for home
One day when the kingdom comes
Right here where we stand
We will see the promised land
Ooh, ooh

One day there'll be no more lives
Taken too soon
One day there'll be no more need
For a hospital room
One day every tear that falls
Will be wiped by His hand
And we will see the promised land
Ooh, ooh

(Chorus)

*Hallelujah
There will be healing
From this heartbreak we've been feeling
We'll sing in the darkest night
'Cause we know that light will come
There will be healing
Hallelujah*

One day there'll be no more anger
Left in our eyes
One day the color of our skin
Won't cause a divide
One day we'll be family standing hand in hand
And we will see the promised land

We will see the promised land

(Chorus)

Hallelujah

There will be healing

From this heartbreak we've been feeling

We'll sing in the darkest night

'Cause we know that light will come

There will be healing

Hallelujah

There will be healing

Hallelujah

One day every knee will bow

Every tongue will confess

One day when our tired and weary

Bones find their rest

One day when the power of evil's

Brought to an end

We will see the promised land

We will see the promised land

(Chorus)

Hallelujah

There will be healing

From this heartbreak we've been feeling

We'll sing in the darkest night

'Cause we know that light will come

There will be healing

Hallelujah

There will be healing

Hallelujah

There will be healing

hallelujah

It Is Well, 7021972

Grander earth has quaked before
Moved by the sound of His voice
Seas that are shaken and stirred
Can be calmed and broken for my regard

(Chorus)

*Through it all, through it all
My eyes are on You
Through it all, through it all
It is well
Through it all, through it all
My eyes are on You
And it is well with me*

Far be it from me to not believe
Even when my eyes can't see
And this mountain that's in front of me
Will be thrown into the midst of the sea

(Chorus)

*Through it all, through it all
My eyes are on You
Through it all, through it all
It is well
Through it all, through it all
My eyes are on You
And it is well, it is well*

So let go my soul and trust in Him
The waves and wind still know His name
So let go, my soul, and trust in Him
The waves and wind still know His name
The waves and wind still know His name

It is well with my soul
It is well with my soul
It is well with my soul
It is well, it is well with my soul

Start a Fire, 7017142

This world can be cold and bitter
Feels like we're in the dead of winter
Waiting on something better
But am I really gonna hide forever
Over and over again
I hear Your voice in my head
Let Your light shine
Let Your light shine for all to see

(Chorus)

*Start a fire in my soul
Fan the flame and make it grow
So there's no doubt or denying
Let it burn so brightly
That everyone around can see
That it's You, that it's You that we need
Start a fire in me*

You only need a spark to start a whole blaze
It only takes a little faith
Let it start right here in this city
So these old walls will never be the same
Over and over again
I hear Your voice in my head
They need to know, I need to go
Spirit won't You fall on my heart now

(Chorus)

*Start a fire in my soul
Fan the flame and make it grow
So there's no doubt or denying
Let it burn so brightly
That everyone around can see
That it's You, that it's You that we need
Start a fire in me*

You are the fire, You are the flame
You are the light on the darkest day

We have the hope, we bear Your name
We carry the news that You have come to save
Only You can save

(Chorus)

*Start a fire in my soul
Fan the flame and make it grow
So there's no doubt or denying
Let it burn so brightly
That everyone around can see
That it's You, that it's You that we need
Start a fire in me*

*Start a fire in my soul
Fan the flame and make it grow
So there's no doubt or denying
Let it burn so brightly
That everyone around can see
That it's You, that it's You that we need
Start a fire in me*
