Brighter Days, 7177136

(Chorus)

*I know there's gonna be some brighter days
I swear that love will find you in your pain
I feel it in me like the beating of life in my veins
I know there's gonna be some brighter days
I know there's gonna be some brighter days*

Oh ashes fall from burning dreams
Oh never lived through times like these
Oh if you're trying hard to breathe in the dark
In the dark

(Chorus)

*I know there's gonna be some brighter days
I swear that love will find you in your pain
I feel it in me like the beating of life in my veins
I know there's gonna be some brighter days
I know there's gonna be some brighter days*

Oh if your screams don't make a sound
Oh if your walls are crashing down
Oh if your heart just cries too loud all the time
All the time

(Chorus)

*I know there's gonna be some brighter days
I swear that love will find you in your pain
I feel it in me like the beating of life in my veins
I know there's gonna be some brighter days
I know there's gonna be some brighter days*

*I know there's gonna be some brighter days
I swear that love will find you in your pain
I feel it in me like the beating of life in my veins
I know there's gonna be some brighter days
I know there's gonna be some brighter days*

Make Room, 7122057

Here is where I lay it down
Every burden every crown
This is my surrender, this is my surrender
Here is where I lay it down
Every lie and every doubt
This is my surrender

(Chorus)

*And I will make room, for You
To do whatever You want to
To do whatever You want to
And I will make room, for You
To do whatever You want to
To do whatever You want to*

Here is where I lay it down
Every burden every crown
This is my surrender, this is my surrender
Here is where I lay it down
Every lie and every doubt
This is my surrender

(Chorus)

*And I will make room, for You
To do whatever You want to
To do whatever You want to
And I will make room, for You
To do whatever You want to
To do whatever You want to*

Shake up the ground
Of all my tradition
Break down the walls
Of all my religion
Your way is better
Your way is better (Repeat)

(Chorus)

*And I will make room, for You
To do whatever You want to
To do whatever You want to
And I will make room, for You
To do whatever You want to
To do whatever You want to*

Here is where I lay it down
You are all I'm chasing now
This is my surrender

Promises, 7149439

God of Abraham
You're the God of covenant
Of faithful promises
Time and time again
You have proven
You do just what You say

Though the storms may come
And winds may blow
I'll remain steadfast
And let my heart learn
When You speak a word
It will come to pass

(Chorus)

*Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name*

Great is Your faithfulness to me

God from age to age
Though the earth may pass away
Your word remains the same
Your history can prove
There's nothing You can't do
You're faithful and true

Though the storms may come
And winds may blow
I'll remain steadfast
And let my heart learn
When You speak a word
It will come to pass

(Chorus)

*Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name
Great is Your faithfulness to me*

I put my faith in Jesus
My anchor to the ground
My hope and firm foundation
He'll never let me down (REPEAT)

(Chorus)

*Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name
Great is Your faithfulness to me*

*Great is Your faithfulness to me
Great is Your faithfulness to me
From the rising sun to the setting same
I will praise Your name*

Great is Your faithfulness to me

Do It Again, 7067555

Walking around these walls
I thought by now they'd fall
But You have never failed me yet

Waiting for change to come
Knowing the battle's won
For You have never failed me yet

(Chorus)

*Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet*

I know the night won't last
Your word will come to pass
My heart will sing Your praise again

Jesus You're still enough
Keep me within Your love
My heart will sing Your praise again

(Chorus)

*Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet*

I've seen You move
You move the mountains
And I believe
I'll see You do it again
You made a way
When there was no way

And I believe
I'll see you do it again
(REPEAT)

(Chorus)
Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet

Salt and Light, 7278322

(Chorus)
We are the salt and light
We are the beacon burning
We are the fire bright
A city on a hill

We'll ransack hell and win back souls
And take back all the enemy stole
We'll ransom hearts as the kingdom starts
A fire in our bones

By the ragged scars of the rugged cross
He leads the charge the battle's ours
We bear no sword but the word of God
And we'll win the fight unarmed

(Chorus)
We are the salt and light
We are the beacon burning
We are the fire bright
A city on a hill

The gates of hell will not prevail
The blood He spilled will never fail
The cross of Christ every scar and stripe
Is the victory we hail

(Chorus)

*We are the salt and light
We are the beacon burning
We are the fire bright
A city on a hill*

When the saints march in like a hurricane
There'll be freedom hymns blowing in the wind
The blind will see every captive freed
From the shackles of their sin

(Chorus)

*We are the salt and light
We are the beacon burning
We are the fire bright
A city on a hill*

When at last He comes and the race is run
A thousand tongues will join our song
But 'til then we will empty hell
In the name of Christ the Son

(Chorus)

*We are the salt and light
We are the beacon burning
We are the fire bright
A city on a hill*

*We are the salt and light
We are the beacon burning
We are the fire bright
A city on a hill*
